Dear Ms. Pietrzak:

Re: Amended Notice of Intention to Commence Small Mining Operations, Shivwits Gypsum Project, S/053/008, Washington, County, Utah

On September 18, 1990, this Division received an amended Small Mining Operations Notice of Intention from John E. Welch. The small mining operation is located on BLM managed lands located in the SW/4 of NE/4, Section 14, T18W, R41S, SLBM, Washington, County, Utah. Your agency's designated mining claim number for this project is DRA-88-047-11N, 36 00UT-07.

The Division has reviewed the amended application, and finds the proposed activity to be in compliance with the rules governing revision of a small mining operation (R613-003-114). Pursuant to our joint agency Memorandum of Understanding, it is understood that your office, acting as "Lead Agency" will notify the operator accordingly. Please provide us with a final copy of your completeness letter to the operator.

Thank you for your cooperation. If you receive further information or amendments for this operation, please notify us so we will be able to update our files. Please reference our designated file number S/053/008 when forwarding additional information on this project to us.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
